

BTEC L5 AWARD IN LASERS & LIGHT THERAPIES

£1600 + VAT

MAPPERLEY PARK®

AESTHETICS TRAINING ACADEMY

EST.1993

Course Overview

The award at L5 is a four day course which provides a knowledge qualification with a pathway for beauticians or aestheticians who specialise in one of 3 areas – hair removal, tattoo removal or non-ablative treatments. It also provides a progression route for those delegates that wish to undertake the BTEC L4 Award first. The course consists of 5 mandatory units plus the choice of 1 optional unit. The course price is £1600+ VAT

Successful Outcomes

At the end of the course the delegates will feel confident in their knowledge and understanding of the following areas:

Day 1: Unit 1 (Laser and Light Sectors) & Unit 2 (Features of Lasers and Light)

Day 2: Unit 4 (Light, laser and EM interactions with tissue)

Day 3: Unit 3 (Hazards and controls of lasers and light) & Unit 5 (Consultation and Consent)

Plus one of the following:

Day 4: Unit 6 (Principles of hair removal)

Day 4: Unit 7 (Non ablative water targeting)

Day 4: Unit 8 (Tattoo removal)

Course Qualifications

Successful candidates will be rewarded with a SRF BTEC Level 5 Award in Lasers and Light Therapies specialising in either; Principles of Hair Removal, Tattoo Removal or Non-ablative water targeting.

Who Can Attend?

Beauty professionals, Doctors, Nurses, CQC inspectors, LPA's, LSA's and anyone who has the new BTEC L4 Qualification and wants to progress
